Academic History

Provide information for each post-secondary school (college/university) you've attended, you may add additional institutions by using the "+" key. Specify Career Level (undergraduate or graduate) and dates of attendance. **Please indicate the most recent school you attended by checking the "Last School" box.** To delete a row of data, use the "-" key.

If you are currently enrolled in a degree program, select the "In Progress" Degree Status and enter your anticipated date of graduation. If you did not receive a degree, select the "Incomplete" Degree Status and enter your last date of attendance as Date Earned / Anticipated.

If your institution is not found when using the "Search for School" field, try searching using the institution's name and any common abbreviations (e.g. "NYU" for New York University). If you cannot find your school, select the "Can't find school?" link and complete the requested fields.

For each institution listed, you must request **official** transcripts be mailed to: NYU Polytechnic School of Engineering, Graduate Admissions Processing Center, 15 Dan Rd, Suite 102, Canton, MA 02021.

Please note, that you may submit unofficial and/or uploaded transcripts but a decision will not be released until official transcripts are received.

Recommendations

Supply information on those providing recommendations on your behalf and select a "Recommendation Method". If selecting the email method, notify your recommendation providers to check for an email request in their spam blocker or junk mail filter. Remember to include a personal note to the provider before using the "Email" key.

To add additional recommendation providers, use the "+" key. Recall that a minimum of **two** recommendations is required to submit the application.

Following submission, you may view the status of your recommendations. You may also cancel a recommendation request, however you will not be able to add additional providers after the application has been submitted. Please note, if you choose to cancel this recommendation, the personal note will remain included.
